TO: V.J. St. Pierre, Jr., Parish President

FROM: Angela M. Robert, Supervisor of Animal Control

SUBJECT: 2012 Annual Report

I am pleased to report that in the year 2012, Animal Control took in fewer animals than the previous year. In 2012, Animal Control took in 1,601 animals, which is 36 less than the previous year. I believe that this decrease can be contributed to the low cost spay/neuter program that the St. Charles Humane Society offers to our parish residents. Animal Control works diligently with the Humane Society to promote and accomplish this mission and many others.

Once again Animal Control along with the Humane Society put on its fourth annual Bark at the Bridge Park. The event was a barking success with approximately 600 participants. The Bark at the Bridge Park gave parish residents the opportunity to spend a day in the park with their pet, enjoy an animal themed afternoon and shop at all the vendor booths. We hope that each year the numbers continue to increase.

In April 2012, our new was completed and we began moving in. We are very pleased with our state of the art new shelter. In October 2012, the shelter was inspected by the Louisiana State Veterinarian, Dr. Gary Balsmo, in which we received the highest rating possible. We are thrilled to be one of four shelters in the state of Louisiana to receive this rating.

Our Animal Control Department continues to provide and protect its residents with trained and knowledgeable employees. In 2012, we hired 2 new employees, Kayla Viverito and Lonnie Senior. They are both an added asset to our shelter staff and to the animals here at the shelter. Our department will continue to work hand in hand with other entities that are committed to the welfare of animals. We hope to continue to set an example for all other parishes to follow.

# ANNUAL REPORT – ANIMAL CONTROL
